

Version of Specification Section with Markings to Show Changes Made

The benefit of the filing dates of U.S. Provisional Patent Application Serial No. 60/180,102, filed February 3, 2000, entitled "Network-Based Purchase Receipt Confirmation and Organization Application with Functional Facilitating Ancillary Merchant and Service Links," and U.S. Provisional Patent Application Serial No. 60/236,007, filed September 27, 2000, entitled "System and Method for Compiling, Storing and Retrieving Digital Receipts" is hereby claimed, and the specifications thereof [is] are incorporated herein in [its] their entiret[y]ies by this reference.

REMARKS

Upon review of the above-referenced patent application it was discovered that the benefit of the filing dates of two provisional applications should have been claimed. As filed, the application only claimed the benefit of one of these provisional applications.

Applicants hereby claim the benefit under 35 U.S.C. § 120 of both U.S. Provisional Application Serial No. 60/180,102, filed February 3, 2000, and U.S. Provisional Patent Application Serial No. 60/236,007, filed September 27, 2000, and have amended the first sentence of the specification to indicate the same.
